DATE MONDAY 24TH APRIL 2017
TIME 5-7.00PM
VENUE GRANGEWAY COMMUNITY CENTRE, RUNCORN, CHESHIRE WA7 5HA

The #BootOutAusterity walkers are coming your way!

We are meeting people at the places we arrive at each evening and on this evening we will be in Runcorn.

This event is one of several meetings being held along the route of a 100 mile walk by the Chair of BASW and others from BASW's base in Birmingham to our annual conference in Liverpool on 26th April. Our aim is to raise awareness and challenge the impact of austerity on communities, families, carers and people who need care services.

As the professional association for social workers across the UK, this meeting will help us inform and guide social workers about how they can make sure people's rights and entitlements to services are upheld, and how as a profession we can support people affected by cuts in services, welfare reform and other austerity policies.

Austerity is affecting many people up and down the country. We hope you can join us and share your ideas on 24th April!

All welcome. Refreshments and snacks provided from 5pm onwards.
